(A constituent unit of MAHE, Manipal)

# INTERNATIONAL NEUROPALLIATIVE CARE CERTIFICATE COURSE

Jointly run by Karunashraya Institute for Palliative Education and Research;  
Kasturba Medical College, Manipal, MAHE Manipal;  
International Neuropalliative Care Society

5th Cohort | 2026 - 2027

## Why should you do this course?

- ✓ Deliver **holistic care** to improve the quality of life for patients and families with serious neurologic illnesses.
- ✓ Manage **complex and severe symptoms** such as pain, seizures, spasticity, and cognitive decline.
- ✓ **Communicate** effectively about prognosis, treatment options, and end-of-life care to enhance patient understanding, satisfaction, and adherence to treatment plans.
- ✓ Understand **ethical and legal aspects** of end-of-life care (advance care planning, DNR orders, withdrawal of life-sustaining treatments) to navigate complex medical dilemmas.

## Valuable Skillsets for

### Neurologists

Valuable skills for preventing burnout in managing challenging & emotional neurological conditions.

### Palliative Care

Neuropalliative care is the biggest field in non-oncology PC & allows you to confidently take on responsibilities beyond cancer care.

### Allied Specialities

Learn to handle the most difficult patients in your case mix.

## Course Content

- ✓ **Pre-recorded webinars**
  - Neuropalliative Essentials (core materials)
  - Neurology basics (for non-neurologists)
  - Palliative Care basics (for the non-PC trained)
- ✓ **Learning Activities & Assessments**
  - Monthly Flipped Classroom case discussion
  - Module based MCQ
- ✓ **In-person Training**
  - 8 hours workshop on Communication skills, Prognostication, Ethics
- ✓ **Certification**
  - 80% attendance for Flipped Classroom
  - 80% in MCQs
  - In-person workshop attendance
